

# CHICAGO NEEDS ONE VICTORY TOWN FLAG

New York, Sept. 21.—One victory in its five remaining contests will clinch the American League pennant for Chicago while Cincinnati has assured itself of the National League flag and Philadelphia in the world's series by vanquishing New York, its nearest rival, twice last week. The Cleveland Americans, who are four games behind the leaders, have won ten straight games but a single defeat will eliminate them from the race. The Yankees went ahead of Detroit today when they defeated the Tigers for the third straight time.

Three Cincinnati National pitchers, Platter, Salles and Eller, turned in shutout performances last week. Although batted hard, Reuther had the honor of winning the contest that put New York out of the running. Brooklyn administered the Reds' only defeat of the week Saturday when several of the regular players were allowed to rest. Brooklyn won the rubber contest today of the three-game series.

New York was unable to hit effectively and there were some blunders to keep down the opponents' score. In three of its five defeats, the Giant team failed to score.

Chicago pitched its hold on third place by winning five straight while Pittsburgh was unable to keep up its winning pace of the previous week.

In the American League, Chicago was somewhat unsteady in fielding but errors did not figure prominently in the games lost. The White Sox outdistanced Philadelphia in an 11-10 contest and took a double header from New York. Boston, winner of the 1918 world's series, trounced Chicago twice Saturday. Ruth's 27th home run, decided the winner in the first. His double in the second game also aided in scoring the winning rally.

Averaging almost twelve hits a game, Cleveland took four straight from Philadelphia and four from Washington, including today's game.

St. Louis ended its losing streak of nine straight games by winning from Philadelphia in the first half of a double header Saturday.

"Cy" Seymour, Ball Player, Dead.

New York, Sept. 21.—James Bentley Seymour, known as "Cy" Seymour when a major league outfielder, died at

# QUALITY THE NEW CIGAR QUALITY

The surprisingly mild combination of imported filler and Sumatra wrapper makes this cigar meet every requirement of the most discriminating smoker.

# FINANCIAL AND COMMERCIAL

**SATURDAY'S MARKET.**

New York, Sept. 20.—The approaching steel strike was again the sole factor of importance in the stock market today, many prominent issues recording lowest quotations of the week, with irregular recoveries at the close.

U. S. Steel, which had been slightly more than a point at its worst, but regained over half its loss, and allied shares moved in much the same manner, but more and their subsidiaries were inclined to weakness.

There were a few features of comparative strength, notably tobacco and such staples as American Linseed and National Lead, in which the operations of professional interests were more or less obvious.

Elsewhere, including transportation, declines of one to three points were partly retrieved, the rally being attributed more to short covering than actual buying. Total sales amounted to 500,000 shares.

The weekly mercantile reviews emphasized the further expansion of general trade, although business activity was tempered by labor disturbances.

A deficit of slightly more than \$55,000,000 in actual reserves of the clearing house, the largest ever reported, was attributed to heavy payments for federal taxes made in the course of the week.

Bonds were steady but featureless. Liberty issues again supplying most of the activity. Total sales of government securities, \$5,500,000. Old U. S. 4s were lower by 1-4 per cent. on call during the week and the others unchanged.
